

CASE STUDY

TRUSTEE ORDERED SALE DOVER, NH

THREE RIVERS FARM

This meticulously restored 3 story Georgian mansion, done in an Arts & Crafts architecture, sits on 18.9+/- waterfront acres. The home has 10,000+/- square feet, containing 8 bedrooms and is improved with stunning period features that have been brought back with precise restoration. In addition to the main residence, the additional improvements include a waterside dock and a cabin (on a mini island), the original restored 36' x 110' 3 story post and beam barn with 3 different living quarters, a brick four car garage with living quarters, a one bedroom Guest House by the water's edge, and an in ground heated pool.
